Abstract- *The abstract should summarize the contents of the paper in short terms.*

Keywords- The keywords codify the key words and terms from the title and abstract (and text of the paper, if necessary). Thus, the keywords should contain all the essential words/terms from the title and abstract and be in an optimum format, which is ideally of 1-3 words (in maximum 5 words).

Do not use Symbols, Special Characters, Footnotes, or Math in Paper Title or Abstract.

1. Introduction (heading 1)

- All the submissions should be in MS word document, font type- Times New Roman, font size-10 point, and simple spaced.
- All submissions should be anonymous to facilitate a double-blind peer review, and should contain an abstract (150-250 words) and keywords (3-5).
- The full paper is expected to be between 4000-7000 words, including all references and other items.
- The paper should contain the following headings: Introduction; Review of Literature; Methodology; Results & Discussion (Findings) and Conclusion.
- The paper should have sections and headings such as 1, 1.1, 1.2, 2... and so on.
- While submission, the author(s) may indicate if they would want to make a poster presentation if their paper is not accepted for oral presentation but can be accepted for poster presentation.
- The participants can submit their papers in order to present them orally or to make poster presentations.
